Summary of the "Five for the Średzki Hospital" charity

We are pleased to announce that the "Five for the Średzki Hospital" charity initiative initiated by Polipak Ltd. was a huge success!

The collection was organized to support and help our local hospital during this difficult time caused by the COVID-19 coronavirus pandemic. Thanks to the local solidarity of as many as 46 companies from Wednesday and the surrounding area, we were able to collect over PLN 260,000!
